SALES TARGET WINNER

Congratulations and Thank You to **Mrs. Theresa Barkhuizen** on reaching your sales target for the month of December.

You have set your target, you consistently keep on working hard to achieve the target, today your hard work paid up. Congratulations on achieving what you have set, and may you reach much higher targets in the future and that too you achieve.

Quote of the month

IT's unwise to pay too much, but it's worse to pay too little. When you pay too much, you lose a little money — that is all.

When you pay too little, you sometimes lose everything, because the thing you bought was incapable of doing the thing it was bought to do.

The common law of business balance prohibits paying a little and getting a lot — it can't be done. If you deal with the lowest bidder, it is well to add something for the risk you run, and if you do that you will have enough to pay for something better.
